Publication schedule change

When the *Monthly Mixture* resumes in the fall, the schedule will remain the same – deadline on the 15th of the month and publication soon thereafter – but each issue will appear *before* the month listed on it rather than late in that month. In other words, the issue which appears late in August (for which the deadline will be August 15) will be called the September issue.

concert calendar

Concert listings will be limited to events featuring organ or choir or taking place at churches. Each newsletter's listings will cover only the next three months. Contact emellenbruch@gsaustin.org to have a concert listed in the calendar.
