### Concert calendar highlights

It's shaping up to be an exciting season for organ music in Austin. The Great Organ Series at UT will feature Marilyn Keiser and Chris Oelkers this fall; Vincent Dubois, Clive Driskill-Smith, and George Baker are other internationally acclaimed organists presenting concerts at local churches. And several Austin choirs are teaming up to present Bach's monumental Christmas Oratorio in December. See the Concert Calendar inside for many more wonderful listings, and please send in notices of other events you know about.
